

PEP VOTING INFORMATION FAIR

Featuring Lique Gates from ClevelandVOTES and Kayla Griffin from All Voting is Local

THE GENERAL ELECTION IS NOVEMBER 7!

Lending our voices to democracy through civic engagement is one of the ways parents and caregivers can make a positive contribution to the quality of their children's lives. When young people see the adults in their lives voting, it teaches them to value their own voice and makes it more likely that they will one day be involved in the voting process themselves. Join us for an online voting fair on Oct. 30 to learn more about this important topic.

AT PEP'S NON-PARTISAN VOTING FAIR YOU WILL:

- Participate in a drawing for a \$50 Visa gift card and other door prizes.
- Meet local voting advocates Kayla Griffin and Lique Gates.
- Learn about important changes to Ohio's voting laws in 2023.
- Discover ways you can protect your right to vote.
- Find out ways you can cast your ballot, where to get helpful non-partisan information about Ohio elections and how to get involved to support local democracy in your community.
