

## 2025 SCHEDULE

### Classroom Management

**SEPTEMBER 18–19, 2025**

Effective classroom management requires mastering everything from the environment to teaching in a way that embraces trauma-informed care. In this two-day training, you will gain a deeper understanding of executive functioning and how to set up a classroom to minimize behavior.

TIME: 8:30 AM – 4 PM	REGISTRATION: 8 AM
LOCATION: PEP CENTRAL OFFICE	COST: \$350
DEADLINE: SEPTEMBER 5	CONTACT HOURS: 12

### Functional Behavior Assessment and Behavior Intervention Plans

**OCTOBER 10, 2025**

In this hands-on, full-day training, participants will develop strategies and tactics for a specific student whose behavior poses a challenge in their classroom. Participants will engage in a process to determine a hypothesis for the function of that student's behavior. Based on the hypothesis, participants will determine skills that need strengthened and develop interventions for the classroom.

TIME: 8:30 AM – 4 PM	REGISTRATION: 8 AM
LOCATION: PEP CENTRAL OFFICE	COST: \$175
DEADLINE: OCTOBER 1	CONTACT HOURS: 6

## 2026 SCHEDULE

### Building Resilience with Trauma-Sensitive Interventions

**FEBRUARY 9–10, 2026**

Building resilience with trauma-sensitive interventions isn't always easy. And yet, when adequate strategies are not in place, staff can face frustration that impacts the district community. In this training, participants will learn how trauma impacts the brain, develop strategies based on the activated areas of a child's brain and come away with intervention strategies to use in the classroom.

TIME: 8:30 AM – 4 PM	REGISTRATION: 8 AM
LOCATION: PEP CENTRAL OFFICE	COST: \$350
DEADLINE: JANUARY 30	CONTACT HOURS: 12

### Optimizing the Classroom for Students with Disparate Needs

**JUNE 8–9, 2026**

This hands-on training will provide participants the opportunity to optimize student learning. Participants will learn:

- proactive strategies to manage behaviors through academic instruction,
- methods to address crises,
- tactics to build resilience and
- how to collect and use meaningful data that support programming.

TIME: 8:30 AM – 4 PM	REGISTRATION: 8 AM
LOCATION: ESC	COST: \$350
DEADLINE: MAY 29	CONTACT HOURS: 12
